AKAI

AKAI ELECTRIC COMPANY JAPAN

42” HD Rear Projection Television PT4250A

Home theater experiences defined by AKAI technology

Products styled for you, performance to enrich your life. Whether your application is simple or demanding, Akai technology will support your lifestyle.

Spectacular Vision

- ATSC Digital Tuner included for HDTV off air broadcasts
- Self-Focus maintains image sharpness
- 2:2 and 3:2 pull down for cinema reproduction
- Crisp images with smaller pixels (.52mm).
- High Definition signal reproduction with 1080i signal. Use either your HD source or the built in ATSC tuner

Sound for all reasons

- Enhanced audio clarity provided by BBE circuitry
- High volume 30W (15W x2) RMS for full sonic performance
- Five band equalizer can be used to personalize your sound preferences

Attractive Design

- Elegant low profile cabinet for use on any table top
- Uncluttered cabinet with only one button seen on the front

Convenient connections

- Front AV jacks for camcorders or game devices
- HD compatible through DVI or Component inputs
- Rear S-video, Composite, and RF inputs
